

Ergo Stripe

Durable workplace rug Ergo Stripe with colander-patterned surface layer. Soft and cushioning underside of polyvinyl for good ergonomics and comfort. The chamfered edges reduce the risk of tripping.

12 mm thickness provides good ergonomics and the mat effectively insulates against cold and vibrations. Ergo Stripe is best suited in front of workbenches and machines, in dry, light work environments such as shops, warehouses, blackout, packing tables and assembly lines. The carpet's soft cushioning properties also contribute to slip protection.

Ergonomic mats for the workplace are very important to relieve the leg and back when working standing. It can also reduce sickness absence and prevent wear and tear injuries.

Workplace mats are intended for standing work on hard floors and provide some sound attenuation and insulate against cold floors, all mats provide a shock-absorbing effect and increased comfort and safety.
