

Work bench

Workbench with adjustable leg brackets, 40 mm laminate table top or vinyl top.

The capacity is 750 kg distributed load and the working height is 740 – 1010 mm.

This is a very stable work table that you can manually adjust in height for the best ergonomics.

The table is available in several designs, sizes and with various different add-on details and accessories to meet your specific needs.

See related add-on details below.

Read more about how to build your workbench [here](#).

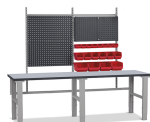

Please contact our customer service if you would like more information or advice.

Color

Table top light grey G3153

Frame grey RAL7004
