

## Superstructure frame ErgoMini/ErgoNomi

Superstructure frame intended for work tables ErgoMini and ErgoNomi.

With the help of the extension frame, you can mount GBP's large extension range. Complete with Perforated pillars and Mounting kit for Perforated pillars, which are mounted on the superstructure frame.

Then continue with accessories such as suspension strips with plastic backs, tool boards and tool hooks, shelves, cutting units or lighting, so that the work table is optimal. Hurtsar can be mounted under the table top. With work tables and other workplace furniture from GBP Ergonomics, we guarantee quality, safety and constant development.

Our products improve both efficiency and ergonomics at your workplace. Feel free to contact us if you have questions about work tables or other workplace equipment.
