

Heavy duty stand

Manually adjustable and very stable leg braces for use with our 40mm table tops.

The leg stands are delivered individually and have a capacity of 500 kg distributed load (300 kg. with wheels). Working height 700 – 970 mm without table top. For table tops with a width of 2500 mm, the use of 3 leg brackets is recommended.

See table tops and add-on details below.
