

Packing table combination 12

Complete packing table with Bord 400 and high-pressure laminate top in grey. Bord 400 is very flexible and can be easily adapted to specific needs and tasks.

The work table is continuously adjustable with an electric motor. It can handle regular use incl. load up to 400 kg spread load. The table is equipped with a stable intermediate brace.

The packing table combination consists of:

- 1 table top
- Superstructure frame
- 2 perforated columns incl. assembly kit
- 10 shelf dividers
- 2 shelves
- Articulated arm and flat screen holder.
