

## Workplace mat Ergomat Optimal-Kombi

The perfect carpet for a public environment, in offices or at packing stations. Optimal-KOMBI is an ergonomic mat in two layers for dry workplaces. Very high elasticity and load-bearing capacity while being easy to clean. Bevelled edges around the entire carpet as standard. This product is delivered in the color Black (product image shows light grey). The carpet can also be obtained in 15 and 23 mm thickness.
