

Lightweight workbench H-stand

Complete manual adjustable work table lightweight H-stand with 24 mm table top with gray high pressure laminate or gray vinyl.

Maximum load is 150 kg distributed weight, working height incl. disc 724-974 mm.

The load capacity applies with a spread load. With the accessory wheel set, the height increases by 135 mm.

Feel free to complete with a storage box placed under the table.

See related add-on details below.
