

Workshop cabinet GBP

Robust construction with 3-point locking to withstand heavy loads. The cabinet is equipped with perforated rails for mounting various accessories. The cabinet has a cylinder lock. The workshop cabinet is also available in a variant with an entire perforated panel in each door, see item no. 35-652-2160.

Delivered without accessories. Complete the cabinet with fixed shelves, pull-out shelves, drawers, collection troughs and lighting. Complete with undercarriage for workshop cabinets (truck base), item no. 41-004-7001. The base simplifies the work when moving the cabinet.

The cabinet can be equipped with Flexlock visible for easy keyless use.

Maximum load distributed weight/shelf: 50 kg.
Maximum load distributed weight/cabinet 500 kg.

Color

Frame RAL7004, RAL9002

Doors RAL7024, RAL5005
